## Projects

[Redesigning Le Cat Café's Website \(Large Screen\)](#) Drexel University  
UX/UI designer September 2023 – Present

- Analyze design principles and reconfigure the [Le Cat Café's](#) website, focusing on the homepage and an inner page ("Ways to Help the Cats" under the "Help Us" section)
- Streamline and simplify the user experience by minimizing complexity and wordiness while ensuring the retention of crucial information
- Capture users' interest in adopting or donating to the cause through the incorporation of softer design choices (multiple rounded edges, warm/soothing colors)

[Student Portfolio \(Small Screen\)](#) Drexel University  
UX/UI designer September 2023 – Present

- Highlight student accomplishments through a user-friendly portfolio, focusing on modern-day simplicity/minimalism with an intuitive layout
- Encode information in HTML and CSS that prioritizes both functionality and aesthetics with eye-capturing texts, fonts, and color psychology

[Shape and Pattern](#) Drexel University  
Photoshop Editor, Designer October 2023 – October 2023

- Engaged in extensive study of shapes and patterns and integrated these concepts into creating an abstract motif design
- Utilized Photoshop to apply masking techniques, seamlessly incorporating patterns into objects for enhanced visual appeal

## Experience

Office of the Provost Philadelphia, PA  
Front Desk Assistant September 2023 – Present

- Spearhead technology initiatives including the review and reconstruction of the Provost's website to support student learning and academic excellence
- Analyze and redesign the layout of the website for easier and intuitive access to resources
- Collaborate with faculty, staff, and students to identify and address institutional challenges
